

PUBLIC NOTICE

The City of Aurora would like to inform you that there will be a planned power outage on June 16th, 2025 starting at 7:30 AM. This decision, although inconvenient, is necessary to perform critical infrastructure maintenance and repairs to ensure a consistent supply of power in the future. We apologize for any inconvenience this interruption might cause. They will work diligently and efficiently to complete the maintenance work and get the power restored as quickly as possible. The outage is expected to last up to 8 hours.
