Mayor Jones gave a CIP update. ISG is still in the process of the finishing details of the report. The final presentation of the complete CIP will be in November.

Scot Leddy and Dennis Rebelein with Banners were present to give Aurora a project update. This included projects that started in 2021 and projects that will be ongoing through 2026 for the sanitary sewer collection and treatment improvements. Phase I being collection system repairs and a new lift station. Phase II being more collection system repairs and replacement of a few sewer lines, Phase IIIA being the addition of an aeration system to the current lagoons. There is a possibility of a Phase IIIB which could be addition of a SAGR System if Aurora continues to grow and we are sitting at capacity. Another item they talked about was the current water study which will be complete soon.

Josh Spilde presented his new development layout. This new layout includes 32ft road widths, a concrete swale for drainage and the lift station and park lot were moved. There was brief discussion on the layout and plans.

Pat Tingle – AEC – Bingo will start in December.

Mark Potthast – Fire Dept. 5 fire calls 4 EMS calls. County Fireman's feed is the 21st of September. They are asking to get all the SCBA tested. The department is applying for a grant for boots and helmets. M/S Schuttloffel, Price to approve the costs associated with that testing.
