

CITY OF AURORA
ORDINANCE 285

AN ORDINANCE ESTABLISHING NEW GRAVITY SEWER INSTALLATION GUIDELINES WITHIN THE CITY OF AURORA, SOUTH DAKOTA.

BE IT ORDAINED BY THE CITY OF AURORA, SOUTH DAKOTA.

ARTICLE: NEW GRAVITY SEWER INSTALLATION GUIDELINES

SECTION 1-1:

Any and all new gravity sewer installations put into place within the City of Aurora are required to meet the ASTM Standards.

SECTION 1-2:

Any and all new gravity sewer installations must be air tested, manhole vacuum tested, deflection tested within the ASTM Standards, and have the television inspection completed, if the City of Aurora deems necessary. All tests must be performed while an authorized representative of the City of Aurora is present and at the Contractors expense.

SECTION 1-3

New gravity sewer testing must be completed, approved, and accepted before solid surfacing may be laid.

Frederick Weekes, Mayor
